.....Passage to Success

**DISCOVER YOUR WHIZZ-KID - FOCUS YOUR AIM**

## ABOUT US

Progress Point was established in 2009, with the mission of educational growth & awareness in our Indian Society. It provides competitive coaching classes for UPSC SPSC, Medical & Engineering (Entrance), Banking, Teaching, Indian Police, & Other Professional Courses. Thousands of students have benefited from the guiding principles of our experts. We also assist by providing educational & career counselling and guidance programmes which are totally based on scientific and authentic inferred outcomes.

Progress Point has designed a unique program of career building & counselling specially focussed to enable all career-oriented aspirants to choose a better opportunity in the life for their goals. This program is also a lifetime opportunity/possibility to those students who have lost their aims & objectives of their career and we at "Progress Point" brighten them as per the requirement of each student by our training & guidance programs.

Progress Point also provides educational opportunities to those students who want success in their life. We offer more than 300 educational courses from different varsities under one roof along with admission guidance & counselling program.
